

DAVID GOODRICH OAM

Executive Chairman and Chief Executive, Anduril Asia Pacific

David Goodrich OAM is the Executive Chairman and Chief Executive Officer of Anduril APAC. He oversees and drives Anduril's growth and operations in the Asia-Pacific region.

Before Anduril, David advised the Australian Defence Force (ADF) and other Australian and State government entities on dozens of major weapons system acquisition, sustainment and infrastructure contracts. David also served as the Executive Director at Silver Spirit Partners, a company that he founded to develop significant retirement communities and advise on property development and infrastructure projects in New South Wales, most notably the Western Sydney Airport and the redevelopment of Sydney's Darling Harbour. David currently sits on the advisory board of Gilmour Space Technologies and is the Vice Chairman of the Pathways Foundation.

David graduated from the University of New South Wales' Australian Graduate School of Management (AGSM) with an MBA (Exec) after obtaining a Bachelor of Engineering Honours in Mechanical Engineering from the University of Sydney. He was awarded the Order of Australia Medal for Services to Defence and Services to the Community.
